

# TRANSITION

At Ormiston Six Villages, we understand the transition from primary to secondary is a big change for both students and families, so we welcome you to these events to make the transition into the Six Villages family as smooth as possible.

## **Wednesday 28<sup>th</sup> March - Welcome Morning (9-10.30am)**

This is a great opportunity for students and their families to come into the Academy for an informal tour and to see the Academy in action.

## **16<sup>th</sup> April - 11<sup>th</sup> May - Primary Visits**

We visit all students who are joining us in September whilst at their current schools. This allows us to better understand their individual educational and personal needs.

## **11<sup>th</sup> - 14<sup>th</sup> June - Enrichment Week (2.40-3.40pm)**

All students are invited to join in with our wide range of enrichment activities after school. These include music tuition, 'mad science', sports coaching, debating and art to name but a few.

## **Wednesday 27<sup>th</sup> June - Six Villages Inclusion Forum (4.30pm)**

Y6 teachers and Inclusion Co-ordinators are invited to discuss and outline personalised transition plans.

## **Transition Day (8.20am-3.40pm) & Welcome Evening (6-7.30pm) (County wide date to be confirmed)**

This is an action packed and informative day where students meet their teachers and classmates to experience a typical day at our Academy, leaving them enthused, inspired and ready to begin their learning journey in September. All families return in the evening for further information about Academy expectations and how the Academy works with families to support learning.

## **Thursday 19<sup>th</sup> July – Welcome BBQ (3:45-4.45pm)**

Exclusively for Year 6 students and their families, this is a perfect opportunity to meet other parents and teachers, as part of a fun event at the Academy.

## **Friday 7<sup>th</sup> September – Family Project Exhibition & Afternoon Tea (4pm)**

All of our new year 7 families attend an afternoon celebration, the culmination of a summer long Family Learning Project that aims to inspire and enhance learning. Refreshments will be provided and prizes awarded. Details about the project will be shared on transition day.
