

**Afterschool sessions run from 2:45-3:40 (Thursday) with 'drop in' sessions available upon request.**

In order to comply with DofE Award guidelines and to ensure participants are fully prepared for the final expedition, they must attend all training sessions and expedition weekends. Participation in the qualifying expedition depends on the successful completion of the other sections of the award. (Volunteering, Skill and Physical)

If for any reason a participant cannot attend, please notify Miss Dart immediately and an alternative training session will be arranged.

Day and Date	Group	Training	Place
