## Support

If you have any problems with Connect please email [connect@ormistonsixvillagesacademy.co.uk](mailto:connect@ormistonsixvillagesacademy.co.uk) and remember to include your name and the name of a student attending the school so we can easily identify your account. Alternatively please call 01243 536 860 and speak to Lynn Bricknell the Connect Administrator.

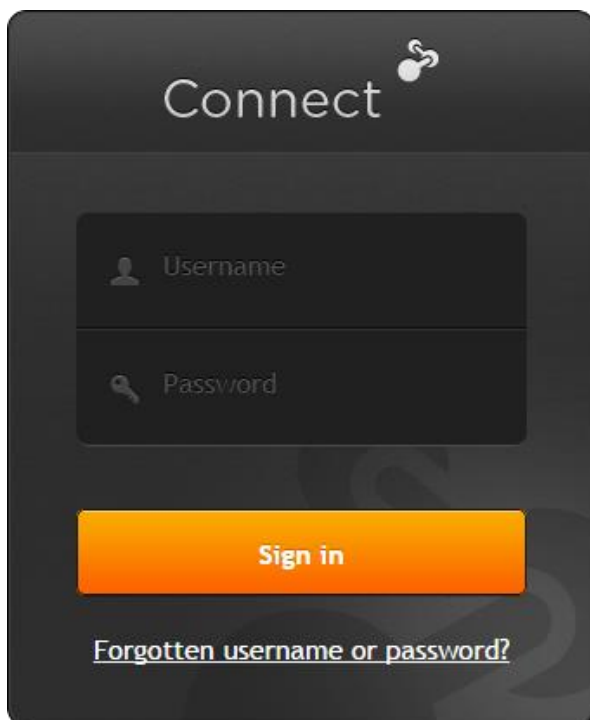

## Introduction

Connect is used in school to record student homework, rewards, behaviour, and detentions. Students are also able to access their documents stored on the school network to help complete homework and transfer files between the school and home. Parent usernames and passwords are provided by the school to those with parental responsibility over students at the school.

Connect can be accessed by following the links on the school website or clicking on <http://connect.ormistonsixvillagesacademy.co.uk/vle/>

It is possible to reset your password by using the link on the login screen and following the instructions in the email sent to your registered email address.

## Dashboard

The dashboard is presented after logging into Connect. From here, you can access the main features by clicking on the blue tiles. The counters on the tiles indicate activity in those areas such as the number of homework tasks due. Your email preferences can be configured using the 'Profile' button in the header area.

## Homework

The homework tasks currently set with their due dates are shown for each student you are responsible for. Clicking on the task name gives more information about the task. The archive section shows all the tasks that have been set in the past.

The screenshot shows the 'Homework' section of the Connect platform. At the top, there is a navigation bar with 'ORMISTON SIX VILLAGES ACADEMY' and a search bar. Below this is a secondary navigation bar with buttons for 'Home', 'Homework', 'School News', 'Calendar', and 'Rewards'. The main content area is titled 'Homework' and includes a dropdown menu for 'School Year 2014 - 2015'. A student named 'David' is selected. The homework list contains three items: 'Mark Scheme Pixl Jan 2015 for Mrs. S Harvey' (due Tuesday 23rd June, Today), 'Worked solutions Pixl Higher Jan 2015 for Mrs. S Harvey' (due Tuesday 30th June, 7 days time), and 'PE Kit reminder for Mr. A Ender in 11p/Pe1 (P.E.)' (due Thursday 30th July, 5 weeks time). On the right side, there are two blue buttons: 'Tasks' and 'Archive'.

## Rewards

The rewards section gives an overview of student performance. Students can collect badges for positive behaviour, which counts towards their overall score. This score is used to unlock achievements that have a prize associated with them. The help section gives a description of the available badges and achievements.
