

ORMISTON SIX VILLAGES ACADEMY

25th June 2021

For the attention of Year 6 parents and carers

Dear Parents and Carers

Following the recent announcement by the Prime Minister of the delay in easing restrictions, we have been advised that we cannot proceed with Transition Day on 7th July. This is obviously disappointing; however, as we were concerned that this may happen, we had already planned for the first day of term in September (6th) to be a Transition Day. In addition to this, Year 7 tutors will call each of their tutees and parents before the end of the school year. This will be an opportunity for families to ask any questions they may have and hopefully ease any worries about starting secondary school in September.

In line with the transition programme of dates issued to you in April, we were also due to be holding a Familiarisation Day. This can't proceed in its usual format either. Our Familiarisation Day event each year is by invitation only, catering for students who need a bit more support or who are the only ones to come to Six Villages from their primary school. We will contact these families under cover of a separate email.

Finally, if you have not already signed up for our Summer School, details of which were issued earlier this week, please do so by 1st July. The week of activities in August will be a great opportunity for students to get to know each other as well as staff and the academy.

We look forward to welcoming your children in due course.

Yours faithfully

Paul Slaughter
Principal
