

## **Homework Information 2020-21**

### **Year 8**

#### **Information**

All homework to be set on Satchel One (previously Show my Homework).

<https://www.satchelone.com/login?subdomain=ormistonsixvillagesacademy>

Staff and students can log onto Satchel One using their Microsoft Office 365 password. Parents will be sent a specific code which will allow them to access their own child's Satchel One account. The specific code will be sent out during the first week of September by email.

As well as the homework that will be set for pupils, there will also be the chance for Teachers to run Live Online Lessons via Microsoft Teams. Use the links below for the Academy's guidance on Live Online Lessons via Microsoft Teams and a supplementary Parental Guide.

#### **When should homework be set?**

Heads of Department will have autonomy as to when homework is set within their subject areas. The consistency and quality of homework set will be monitored via the Satchel One Reports Function and Departmental Reviews.

#### **How frequently should homework be set?**

- In year 8, core subjects (English, Maths and Science) will set once piece of homework per week which should take between 30 minutes and an hour to complete.
- Non-core subjects may set a weekly task which should take up to 30 minutes, or may choose to set longer tasks and allow several weeks for completion. In this case, the time spent on the task should add up to 30 minutes per week for each week of completion time allowed.
- Music homework will be practising their instrument daily and so does not appear on the timetable.
- Technology homework will be set on the day on which students have Technology; this lesson is not taught in tutor groups so does not appear in the table.
- All students are expected to read their accelerated reader reading book for at least 30 minutes each day.
- There is no written homework in year 8 for PE.

#### **How to revise at home**
