ANNOUNCING OUR HEAD STUDENTS 2021-2022

A large group of Year 10 students put their names forwards to be considered for prestigious positions of Head Student.

Following a week of student leadership training with this group—all of whom could have done a fabulous job if selected—seven outstanding students were shortlisted.

Mr Slaughter and Mr Kidd then had the difficult task of interviewing the shortlisted students to determine who would be successful. This was no easy task, not least because a number of the year group had to be interviewed remotely, as they were self-isolating!

The standard was extremely high but ultimately the following students have been selected to represent the academy:

Head Students

Jake W and Charlotte A

Deputy Head Students

Ariyan S and Alina W

Congratulations to Jake, Charlotte, Ariyan and Alina who are all really excited and enthusiastic about taking up these important positions, representing all students and being the public face of the academy.

All students who took part in the process deserve great praise for their efforts. They are all a credit to their year group and the academy as a whole.

YEAR 11 LEAVERS—GOODBYE AND GOOD LUCK!

We said goodbye to our Year 11 students in May as they came to the end of their time with us.

During their last week, they had the opportunity for some celebratory 'send-off' events, including friendship photos, shirt-signing, a visit from an ice-cream van and a Leavers' assembly with fun awards.

"Our students have worked hard and have enjoyed a productive and celebratory final week. I would like to thank Year 11 parents and carers for your continued support during your child's time with us at the academy. It has been my genuine privilege to work as Director of Learning for this year group and I wish them all every future success and happiness."

Ms Molineaux-Inglis

YEAR 11 OUTDOOR PROM

What an amazing evening our Year 11 students had at their outdoor prom!

A huge thank you to Ms Molineaux-Inglis in her role as overall 'organiser extraordinaire'. Thank you to our fantastic premises team Ms Berry, Mr Manser, Mr Galpin and Mr Clack who were busy getting the academy gardens and courtyard looking ship shape. Thank you too to all the staff who helped with the setting up, decorating and supervising the evening, our student leadership team who were involved in the planning and our parents and carers for being there to support these young people through this last year.

We are so proud of them all and grateful that we got to celebrate their time with us as part of the Six Villages family.

Congratulations to the evening's award winners:

Best Arrivals - **Charlie**, who arrived with a 60-strong biker escort arranged by Sussex Motorbike Riders and **Pacey** who climbed out of Scooby Doo's 'The Mystery Machine'

Best Dressed - **Anhelina** in a stunning red trouser suit and **Josh** who was looking sophisticated in a grey three piece suit with black shirt.

Looking amazing and scooping the awards for Best Hair were **Millie** and **Amelia**, and for Best Makeup were **Jorja** and **Amy**.

We wish all our Year 11 students the very best for their future steps and look forward to seeing them all next month on results day.

THANK YOU MS MOL!

END OF YEAR REWARDS AND CELEBRATIONS

For their end of year rewards, eligible students in years 7, 8 and 9 got to enjoy a day of activities on the field in their year groups, including laser tag, a climbing wall, rounders games and human 'table' football.

Year 10 students chose their own programme of activities for their rewards afternoon, which included sporting activities, science activities, and the chance to watch a film with popcorn!

We were also able to take advantage of the glorious sunshine for some of our celebration assemblies, where tutor awards were given out and the year's successes celebrated.

D OF E EXPEDITION

Year 10 and Year 11 students undertook their assessed DofE expedition in June. Students showed a great improvement in their navigational skills from their practice expedition. Year 11 students even managed to up their pace significantly this time round!

They conquered some big hills and grew stronger as a team. The cooked lunch offering was surpassed this time by the Year 10s who cooked themselves meatballs and pasta on Saturday. Year 10 made some interesting finds showing up at a checkpoint holding onto a deer's antler and then crossing the finish line simultaneously carrying a huge log! Well done to everyone who took part and has the blisters to prove it!

Miss N Hull, DofE Lead/PE

YEAR 7 VIOLINISTS—'MUSIC FOR ALL'

It was the turn of 7C and 7D this term to participate in our 'Music for All' programme and learn to play the violin. Despite not being able to welcome visitors to the academy, the students put on a virtual performance for us all to enjoy which you can watch on our website [here](#).

SHAKESPEARE WORKSHOPS SPARK CREATIVITY

In June, we were delighted to welcome actors from the Royal Shakespeare Company to the academy. They delivered workshops on Macbeth, A Midsummer Night's Dream, Romeo and Juliet and The Tempest for students across Years 7-10. These workshops were part of a new schools programme led by Chichester Festival Theatre to connect young people with actors and creative practitioners to develop creativity.

VIRTUAL GCSE ART EXHIBITION

Sadly, we are unable to welcome visitors this year to the academy for our annual GCSE Art Exhibition.

Mrs Gavin has put together a **virtual exhibition** instead for you to enjoy the fantastic final pieces created by our GCSE Art students - this can be viewed on our website [here](#).

Very many congratulations to **Ruby** in Year 8 who has been selected as a finalist in the FA and Nationwide Building Society's Coin for Respect competition! Ruby said: *"My design aims to show that no matter what race or gender you are, underneath that, we all have the same heart and we should accept everybody no matter their differences. Everybody deserves equality and the world, including football, is a better place with more love, empathy and respect. It's great to be one of the 11 shortlisted designs and thank you to everybody who votes for me!"*

As one of the 11 shortlisted finalists, Ruby will receive a tour of Wembley Stadium. The overall winner's design will be featured on the coin and used across the country as a symbol of mutual respect at the start of every grassroots game. Good luck Ruby!

SPACE 180° OUTDOOR CLASSROOM

Thank you to everyone who gave up their Saturday last month to help on our outdoor classroom project. There are some more developments to come over the summer, so look out for an update in the autumn term when all our students will benefit from this as a bookable, outdoor classroom.

Paths have been laid and the long-awaited open wooden gazebo has now been installed—click on the image above to watch the timelapse of the build.

Our first group of students used the outdoor classroom on Wednesday 21 July—Ms Barkworth's Year 8 class ventured into the cool of the gazebo to read.
