

ORMISTON SIX VILLAGES ACADEMY

28th June 2024

Dear Parents and Carers

Normal academy uniform resumes on Monday

Now that the temperatures have lowered, all students are expected to wear full uniform next week, including blazer and ties.

Year 10 Work Experience Week

Next week our Year 10 students are heading out on work experience. We would like to wish them the best of luck and to thank families for all their hard work in arranging these placements.

Could Year 10 parents please note the following:

- If your child is ill or unable to attend their placement for any other reasons during the week, please call both the employer and the school absence line on the day of absence.
- Make sure your child knows what time to leave home in order to be on time for their placement.
- If your child does not have a placement, they will be expected in school at the usual time every day next week to complete virtual work experience placements and other activities. Please check your email inbox for further information regarding this arrangement

Transition Days

Next Wednesday is the countywide transition day and we are very excited to welcome our Year 6, soon to be Year 7, cohort. There are also two additional transition days, by invitation only, to provide additional support to some children.

With Year 10 out on work experience next week and Year 11 having finished their exams, students in Years 7, 8 and 9 will be leading the way in demonstrating the high standards we have at the academy. We look forward to them all rising to the occasion of being the ultimate ambassadors of Six Villages.

I am mindful that we have, as always, a number of siblings joining the academy. Please note that the parent meeting on 3rd July at 6.30pm is essential for all parents and carers, not only those new to the academy. Vital information regarding the new cohort and activities will be shared.
