1. Introduction

- 1.1. The main purpose of the Behaviour Policy is to ensure that all children are safe and that academies create a culture where everyone is supported to have positive behaviour. All children should be able to learn in environments that are calm, safe and supportive and are free from disruption. All OAT academies are committed to inclusivity and implementing strategies that reduce bias and support individual children's needs. Where 'parent' is used in this policy this should be taken to include guardian or carer.
- 1.2. Excellent behaviour is achieved through a positive and consistent academy culture, underpinned by a commitment to OAT's four values:
 - Anyone can excel
 - Enjoy the challenge
 - Share what is best
 - Be inclusive
- 1.3. These are further reflected through Six Villages Academy's 'Excellence for All' statement together with our core values which are:
 - Be Ambitious
 - Value Community
 - Show Respect
 - Persevere
 - Take Responsibility
 - Demonstrate Kindness

2. Principles of behaviour and belonging

- 2.1. Our three principles of behaviour and belonging underpin everything we do as an academy. They reflect our commitment to fostering an inclusive, respectful, and supportive environment where every child can thrive. We believe that a positive school culture is the foundation for academic success and personal growth, and it is through shared norms, compassionate interactions, and clear expectations that we create a space where all students feel they belong.

2.2. Principle 1 – Always a reason

- 2.2.1. Rules and routines at Ormiston Academies create disruption free learning in safe, calm environments in which children work hard and are successful.
- 2.2.2. Rewards and sanctions promote positive norms and support the inclusion of all children in the school community. Rules and routines create a sense of belonging and create positive school experiences. They support children in achieving useful outcomes of which they can be proud.

- 2.2.3. At Ormiston Six Villages Academy everyone understands upholding shared behavioural norms is a collective responsibility and that a school's culture is an expression of all its members.

2.3. Principle 2 – Positive regard

- 2.3.1. Ormiston Six Villages Academy believe all children can behave well with the right support.
- 2.3.2. Every child is treated positively. Interactions between members of a school community are characterised by respect and warmth. Adults are compassionate especially when behaviour is challenging, because they understand children do not arrive at school with the same understanding of appropriate behaviour.
- 2.3.3. Children who struggle the most receive the highest levels of support, and schools focus on finding causes of poor behaviour and addressing these, not excusing or explaining them away. Support is characterised by its proactivity – Ormiston Six Villages Academy staff aim to find solutions before children reach crisis.

2.4. Principle 3 – Clear is kind

- 2.4.1. At Ormiston Six Villages Academy, children are explicitly taught rules and routines in a sequenced behaviour curriculum encompassing all aspects of school life, including extra-curricular activities and the journey to and from school. All children understand how to be successful. Children at Ormiston Academies know what is expected of them and what happens when they meet or do not meet these expectations.

3. Legislation, statutory requirements and statutory guidance

- 3.1. This policy is based on legislation and advice from the Department for Education (DfE) on:
- [Behaviour in schools: advice for headteachers and school staff 2024](#)
 - [Searching, screening and confiscation: advice for schools 2022](#)
 - [The Equality Act 2010](#)
 - [Keeping Children Safe in Education 2024](#)
 - [Working Together to Safeguard Children 2023](#)
 - [Suspension and permanent exclusion from maintained schools, academies, and pupil referral units in England, including pupil movement 2024](#)
 - [Working together to improve school attendance 2024](#)
 - [Use of reasonable force in schools](#)
 - [Supporting pupils with medical conditions at school](#)
 - [Mental health and behaviour in schools](#)
 - [Special Educational Needs and Disability \(SEND\) Code of Practice.](#)
 - [Relationships and sex education \(RSE\) and health education](#)

5. Leadership and management

5.1. Trustees and governors

5.1.1. Trustees are responsible for monitoring the effectiveness of the Behaviour Policy across the trust.

5.1.2. Trustees will:

- hold the Executive Team to account for the successful implementation of the policy, including ensuring that there is no discipline disparity between any groups of children, especially those with protected characteristics

5.1.3. The local governing body in each academy is responsible for monitoring the effectiveness of the Behaviour Policy in the academy

5.1.4. Governors will:

- hold the principal to account for the successful implementation of the policy, including ensuring that there is no discipline disparity between any groups of children, especially those with protected characteristics

5.2. Principal

5.2.1. The principal is responsible for setting and maintaining the behaviour culture of the academy and ensuring that all staff and children feel safe and supported.

5.2.2. The principal will:

- ensure that the academy has high expectations of children’s conduct and behaviour, ensuring clear routines and rules, and that this is understood and applied consistently and fairly by all staff
- aim to prevent all forms of bullying, including cyberbullying, prejudice-based and discriminatory bullying, harassment, violence and aggression
- together with the leadership team, be highly visible in the academy to engage with children, staff and parents and promote high standards of behaviour
- ensure that all staff are successfully inducted into the academy’s behaviour culture and systems, and will make sure that all staff receive regular high-quality training on behaviour guidance, routines and strategies
- ensure all staff act as positive role models for behaviour with high standards of personal and professional conduct
- ensure that safeguarding and child protection concerns are identified effectively, and children are offered support rather than sanctions when appropriate
- ensure parents are aware of the academy’s expectations and wherever possible, partner with them to understand and support any behavioural issues
- regularly seek ‘children’s voice’ to understand the views and experiences of behaviour in the academy
- regularly review behaviour data and take any necessary steps to eliminate discrimination, reduce bias and ensure compliance with equality law
- ensure the behaviour curriculum, including expectations, routines and rules are explicitly taught to children, and understood by all
- Ensure children receive education on positive healthy relationships in all contexts, including online and offline relationships, so they can identify prejudice, discrimination and bullying

5.3. Teachers

5.3.1. Teachers are responsible for managing behaviour effectively to ensure a calm and safe learning environment for all children¹

5.3.2. Teachers will:

- have clear rules and routines for behaviour in classrooms, and take responsibility for promoting good and courteous behaviour both in classrooms and around the school, in accordance with the behaviour policy and agreed teaching and learning routines

¹ DfE Teachers’ Standards: see Teacher Standard 7 (<https://www.gov.uk/government/publications/teachers-standards>)

- have high expectations of behaviour, and establish a framework for discipline with a range of strategies, using praise, sanctions and rewards consistently and fairly
- maintain consistent standards of behaviour in the classroom while ensuring reasonable adjustments are made by balancing fairness with flexibility

5.4. All staff

5.4.1. All staff are responsible for implementing measures in the behaviour policy to secure excellent standards of behaviour

5.4.2. All staff will:

- model and maintain positive relationships with children, so that they can see examples of good behaviours and feel confident to ask for help when needed
- uphold the whole academy approach to behaviour by modelling and teaching routines, values and standards in every interaction²
- address misbehaviour swiftly and act decisively when behaviour, including the use of discriminatory language, falls below the expected standards

5.5. Children

5.5.1. Children will:

- be made aware of the academy's behaviour standards, expectations, rewards and sanctions
- receive an age-appropriate induction process, including those who are admitted mid-year, that familiarises them with the academy's behaviour culture, rules and routines
- receive regular and explicit teaching of behaviour expectations throughout the academic year
- be educated about healthy relationships in all contexts, both online and offline, and to understand their rights and responsibilities regarding their behaviour
- be made aware of the pastoral support that is available to them to help them meet the behavioural standards
- be asked about their experiences of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy

5.6. Parents

5.6.1. Parents are responsible for working in partnership with the academy to support and reinforce the behaviour policy.

² See part 2 of the Teachers' Standards which outlines the high standards of personal and professional conduct expected of teachers

5.6.2. Parents will:

- promote a positive culture of behaviour and celebrate their child's successes and achievements
- get to know the academy's behaviour policy and reinforce the ethos and values of the policy with their child when necessary
- support their child in adhering to the academy's behaviour policy
- inform the academy of any changes in circumstances that may affect their child's behaviour
- discuss any behavioural concerns with relevant staff promptly – the child's Director of Learning or Tutor are the best starting point in raising any concerns
- take part in any pastoral work following misbehaviour (for example: attending reintegration meetings or reviews of specific behaviour interventions)
- raise any concerns about the management of behaviour with the academy directly with Mark Palmer, Vice Principal, who leads on behavior across the academy.

6. Behaviour curriculum

6.1. All OAT academies want children to feel confident and curious and to behave compassionately to those around them. These qualities should be nurtured and modelled by all staff. Staff can reinforce the behaviour curriculum in every interaction they have with children by:

- Modelling what positive relationships look like, in their interactions with all members of the academy community
- Acknowledging and praising behaviour that meets the expected standard
- Giving children clear reminders about what the consequences of their actions will be if they don't meet behavioural expectations
- Being clear and consistent in the use of sanctions

6.2. Children will also be taught explicitly and regularly about behaviour through:

- Our values sessions run in tutor time
- Our assemblies
- Via the formal curriculum through PSHE lessons

6.3. Any children who join mid-term will be given information about the academy behaviour system and their understanding of this will be monitored by their form tutor and Director of Learning.

7. Behaviour expectations

7.1. In Ormiston Six Villages academy, children are expected to:

- Be ready to learn
 - Be on time to school and to all lessons
 - Dress in full school uniform
 - Be responsible for your own learning
- Be respectful
 - Respect yourself, others and your environment
 - Be polite, kind and considerate
 - Listen to others and expect to be listened to
 - Behave in a manner that you would like to be treated yourself by others
 - Whether in school or off site represent the academy with pride and never bring it into disrepute
 - Adhere to the Six Villages Values
- Be safe
 - Move quietly and calmly around the academy
 - Eat and drink in appropriate places
 - Be in the right place at the right time

7.2. Unacceptable behavior

Students are expected not to engage in any of the following unacceptable behaviours:

- Physical assault against a pupil
- Physical assault against an adult
- Verbal abuse/threatening behavior (pupil)
- Verbal abuse/threatening behavior (adult)
- Bullying
- Sexual misconduct
- Damage
- Racist abuse
- Drug & alcohol related
- Theft
- Persistent or general disruptive behavior
- Use or threaten the use of an offensive weapon or prohibited item
- Abuse against sexual orientation and gender identity
- Abuse relating to disability
- Inappropriate use of social media or online technology
- Willful and repeated transgression of protected measures in place to protect public safety

8. Safeguarding

- 8.1. The academy recognises that changes in behaviour may be an indicator that a child is in need of help or protection. All staff should maintain professional curiosity and proactively consider whether a child's behaviour, including misbehaviour, may be linked to them suffering, or being likely to suffer, significant harm.

- 8.2. Any safeguarding or child protection concerns must be reported to the Designated Safeguarding Lead (DSL) immediately, using CPOMS. The DSL, after liaising with appropriate staff or other agencies, will determine whether early help intervention or a referral to children’s social care is appropriate.

9. Behaviour expectations and SEND

- 9.1. All students, including those with SEND, are expected to adhere to the academy’s behaviour expectations and routines. However, the academy recognises that students with SEND may need differentiated support to meet these expectations effectively.
- 9.2. Reasonable adjustments will be made for students with SEND where their disability impacts behaviour. This may include tailored interventions, additional support, or alternative methods of communication to help them understand and meet behavioural expectations.
- 9.3. Individual Behaviour Plans (IBP): For some students with SEND, an Individual Behaviour Plan may be developed in collaboration with the SENCO (Special Educational Needs Coordinator), teachers, parents, and other professionals. The plan may outline specific strategies and support to manage behaviour while promoting the student’s wellbeing.
- 9.4. Staff members are trained to understand the needs of students with SEND and how these may influence behaviour. This includes awareness of conditions like ADHD, autism, and emotional and behavioural difficulties, and how to respond appropriately and fairly to meet their needs.
- 9.5. The academy will work with external agencies, to better understand a student’s needs and design effective behaviour management strategies that support their inclusion in the classroom.
- 9.6. While maintaining high behaviour expectations for all, the academy acknowledges that flexibility in approach is necessary to accommodate the varied needs of students with SEND. This ensures that all students can thrive in a supportive and understanding environment.
- 9.7. Children learn best to manage their self-control, behaviour and learning when they feel well supported by staff who are caring, understanding, curious and consistent. Staff will try to anticipate triggers of misbehaviour and put in place preventative measures to reduce the likelihood of a behaviour incident.
- 9.8. Staff will be supported in this by the academy’s SENCO, and the behavior and safeguarding team and will have reference to OAT’s latest SEND policy and the DfE’s Mental Health and Behaviour in Schools guidance³ [Mental health and behaviour in schools - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/612212/mental-health-and-behaviour-in-schools-guidance.pdf)

³ See chapter 3 – understanding the link between mental health and behaviour

10. Responding to positive behaviour

- 10.1. Children learn best when they feel safe. This can be achieved by having clear expectations and routines, consistently applied with reasonable adjustments if appropriate. All staff will aim to create a positive and supportive environment in the classroom and around the academy using positive language and relationships based on dignity and respect. This helps children to engage in and make good progress with their learning and can promote staff and child health and wellbeing.
- 10.2. The academy recognises that acknowledging positive behaviour encourages further positive behaviour. Communicating positive behaviours to parents can also be an effective way to motivate children to behave well.
- 10.3. When a child's behaviour meets or goes above the expected behaviour standard, staff will recognise this through positive recognition, rewards, and celebrations. This will include recognising the progress of children who require additional support with their behaviour.
- 10.4. The academy will demonstrate a fair and clear application of rewards to reinforce the routines, expectations, and norms of the academy's behaviour culture.

These are:

- Verbal praise
- Communicating praise to parents via a phone call or written correspondence
- Certificates, prize ceremonies or special assemblies
- Positions of responsibility, such as prefect status or being entrusted with a particular decision or project
- Whole-class or year group rewards, such as a popular activity
- Reward points on Satchel One

11. Responding to behaviour that is below the expected standard

- 11.1. Staff will endeavour to create a predictable environment by always responding to behaviour that falls short of the standards in a consistent, fair, and proportionate manner, so children know with certainty that misbehaviour will always be addressed.
- 11.2. When managing behaviour, staff apply our principles of behaviour and belonging with due consideration.
 - Always a reason
 - Clear in kind
 - Positive regard

12. Low level disruptions

- 12.1. Low level disruptions are behaviours which are not directly confrontational or challenging, but which nevertheless disrupt the teaching and learning environment. If allowed to continue, the concentration and learning of other children can be badly affected.
- 12.2. To stop any low-level disruptions escalating to more serious behaviour breaches, staff will intervene quickly and calmly using a variety of strategies and de-escalation techniques.
- 12.3. Low level disruptions can also occur outside of the classrooms, while moving around the academy and during break and lunch times. Staff, including non-teaching support staff, will apply the same approaches and intervene quickly and calmly.

13. Sanctions

- 13.1. In situations of children displaying low level disruption and when misbehaviour continues, sanctions are a legitimate form of behaviour management and are used consistently and fairly.
- 13.2. Where the misbehaviour gives cause to suspect that a child is suffering, or is likely to suffer, harm. If this is the case, staff will follow the OAT Child Protection & Safeguarding policy and speak to the DSL or deputy at the earliest opportunity
- 13.3. Staff can sanction children whose behaviour falls below the standard which could reasonably be expected of them. Staff can issue sanctions any time children are in the academy or elsewhere under the charge of a member of staff, including on academy trips.
- 13.4. Sanctions must be reasonable and proportionate.
- 13.5. Following any sanction, the academy will support the child to reflect on and understand their behaviour. At the same time, staff will work together to understand a child's context as this will inform effective responses to more complex behaviours.
- 13.6. The academy will plan and use age/developmentally appropriate strategies and interventions to support a child, without lowering expectations for any child's behaviour.

13.7. **Ormiston Six Villages Academy Sanction System 2023**

1. Proactive intervention

Behaviour	Low level disruption / lack of engagement
Action	Relationship building
Intervention	Review understanding, instruction, adaptation, meet needs

- All teaching staff must read all ILPs / SEN information prior to meeting any new class

- All seating plans need to be constantly reviewed for behaviour – use expertise of the DOL / experiences staff for best combinations in the classroom
- Dept staff to be constantly reflective of their teaching styles and learning activities and how they may affect positive behaviour management for each lesson.
- HODs must consider the best dynamics to foster positive behaviour for learning in creating sets and groupings

2. First instance of poor behaviour

Behaviour	Low level disruption
Action	Yellow Card
Intervention suggestions	Seat move, time out, review understanding, instruction, adaptation, review ILP/tutor knowledge

- These things must happen before a yellow card:
 - Reminder about classroom behaviour expectations and the behaviour that the teacher wants to see (“I need you to...”)
 - Warning (“If you continue to..., I will have to give you a yellow card”)
 - Consider whether a brief ‘time out’ outside the classroom could avoid the incident escalating
- At least one of the following must happen after a yellow card:
 - Change of seating
 - Brief one to one conversation outside of the classroom
 - Reflection about ability to access work and differentiation
 - Advice sought from DOL / HOD
 - Use of time out (If appropriate)
 - Explicit but not confrontational instruction that behaviour has to change otherwise they will receive a further yellow card

3. Tier one sanction

Behaviour	Persistent disruption/serious incident – 2 yellow cards
Action	1 Session
Intervention suggestions	Phone Call home, subject detention, R&R, subject report targets, reward and outcome logged on provision map

Having sent a student for a tier one sanction the class teacher must discuss with HOD and determine the two strategies that will be used when the student returns to the lesson:

- Conversation with parent (Not e mail) – meeting if this is a second instance of poor behaviour
- Reward incentives agreed with parents
- **Completion of R and R is compulsory before return to class** – essential that teacher requests support and help to ensure this is a success. This can be done in tutor time, break and lunchtime, with the use of the on-call member or HOD / DOL.
- Temporary management of student in another class / with another colleague
- Change of set
- Reflection of SEN needs and differentiation
- Departmental detention
- Dept report / DOL report / positive report

- Consideration of departmental detention / subject report

All interventions to be logged onto provision map

4. Tier two sanction

Behaviour	Second removal of day / serious single incident (to be determined by LBE / SLT)
Action	1 full day of Tier Two and an after-school detention
Intervention	Parental meeting, support with behavioural interventions, discussion in IMT specific identified intervention measured and logged on Provision Map.

- Liaison with DOL to determine who leads a parental meeting
- Request for work with pastoral leader
- Either DOL or departmental report
- Referral to IMT via DOL (they will be aware of frequency)
- Teacher meet if this is a global issue
- PSP where multiple behavioural issues or frequency of Tier Two sanction is indicated
- Consideration for LBAT
- DOL report or SLT report

5. Suspension

Behaviour	Serious offense, wilful dangerous behaviour, persistently disruptive behaviour
Action	Multiple day Tier Two/Suspension
Intervention	Meeting parent, student, DoL + SLT, intervention programme to form part of PSP, 6/12 week review. IMT review (SENCO/Pastoral/Academic/Attendance)

- PSP – for all students who have a FTE
- Behaviour intervention group
- Consideration for LBAT
- Consider EHP
- DOL report or SLT report

Removal from classroom.

Removal from classroom is a serious disciplinary sanction and will only be used once other behavioural strategies have been attempted unless the behaviour is so extreme as to warrant immediate removal.

Removal from classroom as a sanction does not include circumstances in which a child is asked to step outside the classroom briefly for a conversation with a member of staff and asked to return following this. It also does not include the use of SEND inclusion room for planned intervention or therapeutic work to support with behaviour.

If a child is removed from class the academy will inform parents the same day via the classroom teacher calling home that day. If a child has a social worker, including if they have a Child in Need plan, a Child Protection plan or are looked-after, the academy will notify the social worker or Virtual School Head of the removal taking place. If a child is looked after, their Personal Education Plans will be reviewed and amended to include behaviour support and intervention considering the reasons for removal from class.

The behaviours that may lead to removal from class include the following (note this list is not exhaustive): Persistent disruptive behaviour that has resulted in two formal warnings in class, aggressive or rude behaviour to staff, swearing at staff or being physically aggressive to other students

Students who are removed from class will be sent to Tier One where their education will be continued and to allow them to regain calm in a safe space. The academy will ensure that staff supervising removal areas are suitably trained to support Students with challenging behaviours and contexts.

Students will remain in removal for no longer than is necessary. For students in Tier One this will usually be for one period. However, there may be exceptional circumstances, which must be agreed by the principal and communicated to the parents and the child in a timely manner, where Students remain in removal for more extended periods. This can include the Tier Two sanction. All Students in Tier Two removal will receive regular breaks, including movement breaks and food/drink breaks and opportunities to visit the toilet. Staff will be made aware of any medical needs and ensure any health care plans are fully implemented.

Staff will record all incidents of removal from the classroom along with details of the incident that led to removal, and any protected characteristics of the child in Satchel One and via the Tier One/Tier Two logs.

The academy will collect, monitor and analyse this data weekly and intensively every half term to examine repeat patterns and the effectiveness of the use of removal. This information will be used to provide timely intervention and support to Students. This may include a pastoral review and/or investigation by the DSL and/or SENCO. Parents will be informed of the outcome of any investigations. In addition, the academy will provide any necessary support to departments or staff.

This data and the impact of interventions to support behaviour is reviewed at the academy's Strategic Progress Boards and at Local Governing Body meetings.

The completion of OAT's 'Vulnerable child pre-exclusion checklist' should be considered for Students who are frequently removed from class. Use of the checklist can help identify areas where a child needs further support to stop behaviours escalating to the point where suspensions and permanent exclusions are used. Additional advice and support for behaviour can also be accessed via OAT's Inclusion Team.

Suspension and permanent exclusion

Suspensions will be used as a last resort. However, it is acknowledged that they are sometimes necessary to ensure a calm and safe environment for all students and staff. Principals can use suspension or permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following extensive support and intervention. In deciding whether to issue a suspension or permanent exclusion the academy will have reference to OAT's Suspension and Exclusion policy and legislation that governs the suspension and permanent exclusion of Students (The School Discipline (Pupil Exclusions and Reviews) (England) Regulations 2012).

In considering suspension or exclusion the principal should ensure that, as far as appropriate, the academy's 'Vulnerable child pre-exclusion checklist' has been considered. This will guide principals in their review of support and intervention strategies in response to misbehaviour.

Where the child has an identified special education need or disability and is receiving support at the level of School Support (SEND register) principals should ensure the relevant Education Director has been contacted for consultation before a decision to permanently exclude has been made. If the child has a Child protection or

Child in Need Plan or is a Looked after Child, principals are encouraged to consult with their Education Director before a decision to permanently exclude has been made.

Where the child has an Education, Health and Care Plan (EHCP), the Director of Inclusion, must have been contacted for consultation before a decision to permanently exclude has been made.

14. Supporting children following a serious sanction

- 14.1. A reintegration meeting with parents and the child following an exclusion is essential for restoring relationships, rebuilding trust, and setting clear expectations for future behaviour. It allows the school to address the underlying causes of the behaviour, collaborate on support strategies, and ensure the student feels welcomed back into the learning environment. By promoting accountability and involving both parents and the student in the process, the meeting helps prevent future issues and supports a successful reintegration.
- 14.2. Children who need more intensive support with their behaviour or pastoral needs or who are at risk of suspension or permanent exclusion may be referred to one of the academy's pastoral support officers for specific interventions. In some cases, external support may be sought from the Learning Behaviour Advisory Team, the APC Outreach Team, or other appropriate agency.
- 14.3. The academy will:
 - share information with multi-agency partners if appropriate and consult with parents prior to referral
 - regularly monitor the progress of all children who are undertaking behaviour or pastoral interventions and the impact of the intensive support that they are receiving
 - actively involve children and parents in reintegration discussions

15. Alternatives to suspension and permanent exclusion

15.1. Offsite direction

- 15.1.1. Off-site direction is when a governing board arranges temporary off-site provision for a child to attend another education setting to improve their behaviour. Parental agreement is not a requirement of off-site direction although it is always best practice to try and receive this. Parents should be kept informed at all stages of the process and consulted wherever possible.
- 15.1.2. Where interventions or targeted support have not been successful in improving a child's behaviour, the academy may use off-site direction to arrange time-limited

placements at an Alternative Provision or another mainstream school. Children accessing this support will be dual registered.

15.2. Managed moves

- 15.2.1. A managed move is used to initiate a process which leads to the transfer of a child to another mainstream school permanently. This is dependent on local schools having the capacity to receive children under this process, which is not always the case. For this reason, managed moves may not be on offer in all geographical areas.
- 15.2.2. Managed moves should be voluntary and agreed with all parties involved, including the parents and the admission authority of the new school. Managed moves should only occur when it is in the pupil's best interests.

16. Reasonable force

16.1. What is reasonable force?

- The term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with children.
- Force is usually used either to control or restrain. This can range from guiding a child to safety by the arm through to more extreme circumstances such as breaking up a fight or where a child needs to be restrained to prevent violence or injury.
- 'Reasonable in the circumstances' means using no more force than is needed.
- As mentioned above, schools generally use force to control children and to restrain them. Control means either passive physical contact, such as standing between children or blocking a child's path, or active physical contact such as leading a child by the arm out of a classroom.
- Restraint means to hold back physically or to bring a child under control. It is typically used in more extreme circumstances, for example when two children are fighting and refuse to separate without physical intervention.
- Academy staff will always try to avoid acting in a way that might cause injury, but in extreme cases it may not always be possible to avoid injuring the child.

16.2. Who can use reasonable force?

- All members of academy staff have a legal power to use reasonable force.
- This power applies to any member of staff at the academy. It can also apply to people whom the principal has temporarily put in charge of children such as unpaid volunteers or parents accompanying children on an academy organised visit.

16.3. When can reasonable force be used?

- Reasonable force can be used to prevent children from hurting themselves or others, from damaging property, or from causing disorder.
- In a school, force is used for two main purposes – to control children or to restrain them.
- The decision on whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.
- The following list is not exhaustive but provides some examples of situations where reasonable force can and cannot be used.

16.4. Academies can use reasonable force to:

- remove disruptive children from the classroom where they have refused to follow an instruction to do so;
- prevent a child behaving in a way that disrupts an academy event or an academy trip or visit;
- prevent a child leaving the classroom where allowing the child to leave would risk their safety or lead to behaviour that disrupts the behaviour of others;
- prevent a child from attacking a member of staff or another child, or to stop a fight in the playground; and
- restrain a child at risk of harming themselves through physical outbursts.

16.5. Wherever possible positive handling/use of reasonable force will be carried out by trained staff who are competent in the use of a recognised behaviour management system (e.g. Team Teach).

17. Restraint / positive handling plans

- 17.1. Where a child's behaviour could present a significant risk of injury to themselves, other people, or property the academy will complete a risk assessment and determine if an individual child requires a positive handling plan to be put in place.
- 17.2. These plans will be developed in the child's best interests and agreed by staff, parents and the child concerned wherever possible. They will be reviewed termly or when the needs of the child change.
- 17.3. The plan will document situations that may trigger challenging behaviour and any successful preventative strategies. The plan will also document how physical intervention should be used appropriately.

18. Recording, reporting and responding to incidents of restraint/positive handling/use of reasonable force

- 18.1. Parents will be informed on the same day as the incident and invited into the academy to discuss the incident as soon as practicable.
- 18.2. A written review of the incident will be conducted by the principal and DSL and recorded on CPOMs within 5 working days and any positive handling plan updated as appropriate.

19. Behaviour outside of academy premises

- 19.1. The academy can sanction children for misbehaviour outside of the academy premises to such an extent as is reasonable. Conduct outside the academy premises, including online conduct, that might result in a sanction includes misbehaviour:
 - when taking part in any academy-organised or academy-related activity
 - when travelling to or from the academy
 - when wearing academy uniform
 - when in some other way identifiable as a child at the school
 - that could have repercussions for the orderly and safe running of the academy
 - that poses a threat to another child
 - that could adversely affect the reputation of the academy
- 19.2. The decision to sanction a child will be lawful if it is made on the academy premises or elsewhere at a time when the child is under the control or charge of a member of staff of the academy.
- 19.3. When non-criminal poor behaviour and bullying occurs off the academy premises or online and is witnessed by a staff member or reported to the academy, the academy will:
 - gather information and evidence
 - take witness statements including from the alleged perpetrator
 - inform parents of the incident
 - inform any relevant services/agencies e.g. children's services, youth offending team
 - potentially involve our community police liaison officer
- 19.4. Following confirmed misbehaviour outside of academy premises, the academy may impose the following sanctions:
 - Detention, internal exclusion, interview with our community police liaison officer or suspension.

20. Searching, screening and confiscation

- 20.1. Searching, screening and confiscation will be conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#) and OAT's Searching, Screening and Confiscation Policy.

- 20.2. Principals and the staff they authorise have a statutory power to search a child or their possessions where they have reasonable grounds to suspect that the child may have a banned item.
- 20.3. These banned items are:
- knives and weapons
 - alcohol
 - illegal drugs
 - stolen items
 - any article that the member of staff reasonably suspects has been, or is likely to be used
 - to commit an offence, or
 - to cause personal injury to, or damage to property of; any person (including the child).
 - tobacco and cigarette papers
 - e-cigarettes or vapes
 - fireworks
 - pornographic images
 - weapons
- 20.4. As long as it is reasonable in the circumstances, academy staff are permitted by law to take temporary possession of any suspected illegal substance or prohibited item.

21. Suspected criminal behaviour

- 21.1. If a child is suspected of criminal behaviour, the academy will make an initial assessment of whether to report the incident to the police.
- 21.2. When establishing the facts, the academy will endeavour to preserve any relevant evidence to hand over to the police.
- 21.3. If a decision is made to report the matter to the police, the principal or member of the senior leadership team will make the report.
- 21.4. The academy will not interfere with any police action taken. However, the academy may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.
- 21.5. If a report to the police is made, the DSL will make a tandem report to children's social care, if appropriate. All investigations, decisions, actions and rationale behind decisions and actions must be recorded on CPOMs.

22. Child on child abuse sexual violence and sexual harassment

- 22.1. Sexual violence and sexual harassment are never acceptable, will not be tolerated and children whose behaviour falls below expectations will be sanctioned.
- 22.2. The academy will never normalise sexually abusive language or behaviour by treating it as 'banter', an inevitable fact of life or an expected part of growing up. All staff must challenge all inappropriate language and behaviour between children and ensure respectful relationships and high standards of conduct between staff and children at all times.
- 22.3. Following any report of child-on-child sexual violence or sexual harassment offline or online, the academy will follow the safeguarding principles set out in [Keeping children safe in education - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/consultations/keeping-children-safe-in-education) (KCSIE) - especially Part 5. The designated safeguarding lead (or deputy) will advise on the academy's initial response. Each incident will be considered on a case-by-case basis and sanctions may be applied whilst other investigations by the police and/or children's social care are ongoing.
- 22.4. All victims will be reassured they will be supported, kept safe, and are being taken seriously, regardless of how long it has taken them to come forward. Abuse that occurs online or outside of the academy will not be downplayed and will be treated equally seriously. A victim will never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment. Nor will a victim ever be made to feel ashamed for making a report or their experience minimised.

23. Behaviour incidents online

- 23.1. The academy expects the same standards of behaviour online as offline: everyone should be treated with kindness, respect and dignity. Inappropriate online behaviour including bullying, the use of inappropriate language, the soliciting and sharing of nude or semi-nude images and videos and sexual harassment will be addressed in accordance with the same principles as offline behaviour.
- 23.2. When an incident involves nude or semi-nude images and/or videos, staff should refer the incident to the DSL (or deputy).

24. Malicious allegations

- 24.1. Where a child makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the academy will consider whether to discipline the child in accordance with this policy.

- 24.2. Where a child makes an allegation of sexual violence or sexual harassment against another child and that allegation is shown to have been deliberately invented or malicious, the academy will consider whether to discipline the child in accordance with this policy.
- 24.3. In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the academy (in collaboration with the local authority designated officer (LADO) and OAT's safeguarding team, where relevant) will consider whether the child who made the allegation is in need of help. If so, a referral to children's social care may be appropriate.
- 24.4. The academy will also consider the pastoral needs of staff and children accused of misconduct.

25. Mobile phones

- 25.1. At Ormiston Six Villages Academy we expect all students to turn their phones off and place them in their bags out of sight once they are on the academy site.
- 25.2. Allowing access to mobiles in the academy introduces complexity and risks, including distraction, disruption, bullying and abuse, and can be a detriment to learning. For that reason, all mobile phones must be kept in children's bags at all times during the academy day. Failure to comply will result in confiscation for the rest of the day and on a second occasion the need for the parent to come to the school to collect the phone.
- 25.3. In exceptional circumstances, and to support individual children, a child may be permitted by the principal to use their mobile phone during the school day as a reasonable adjustment.
- 25.4. All children in the academy will be informed about the potential reasons for exceptional use as part of the behaviour induction process.

26. Transition

26.1. Inducting incoming children

- 26.1.1. The academy will support incoming children to meet behaviour standards by providing an age-appropriate induction process to familiarise them with the behaviour policy and the wider school culture. This will include any children who start at the academy mid-year.

26.2. Preparing outgoing children for transition

- 26.2.1. To ensure a smooth transition to the next year, we have extensive feeder school visits and interviews, we have induction days and specific sessions for those designated as vulnerable.
- 26.2.2. To ensure behaviour is continually monitored and the right support is in place, information related to the behaviour issues of any child will be transferred to relevant staff at the start of the term or year.

27. Staff induction, development and support

- 27.1. As part of their induction process, staff at Ormiston Six Villages Academy are provided with training on managing behaviour, including training on:
- The Equalities Act and preventing disability discrimination
 - Harmful Sexualised Behaviours
 - Trauma informed practice
 - De-escalation techniques
 - Restorative communication
 - How child protection, safeguarding, SEND and mental health needs impact behaviour
- 27.2. Behaviour management will also form part of continuing professional development.

28. Monitoring and evaluating academy behaviour

- 28.1. The academy will collect data on the following:
- Behavioural incidents, including removal from the classroom
 - Attendance, permanent exclusion and suspension
 - Use of pupil support units, off-site directions and managed moves
 - Incidents of searching, screening and confiscation
 - Incidents of positive handling/reasonable force
 - Anonymous surveys for staff, children, governors, trustees and other stakeholders on their perceptions and experiences of the academy behaviour culture
- 28.2. The data will be analysed every half term by Vice principal with responsibility for behaviour. Data will be reviewed at the academy's Strategic Progress Boards and at Local Governing Body Meetings and this analysis will be used to support academies to be proactive in improving children's behaviour.
- 28.3. The data will be analysed from a variety of perspectives including:
- At academy level
 - By age group
 - At the level of individual members of staff
 - By time of day/week/term
 - By protected characteristic
- 28.4. The academy will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of children are identified by this analysis, the academy will review its policies and practice to tackle it.

29. Children's Voice

- 29.1. Asking children about behaviour in the academy and the implementation of the behaviour policy is a regular feature of the academy's self-evaluation. The academy commits to listening to the voices of children and, in line with Article 12 of the [United Nations Convention on the Rights of the Child](#) (UNCRC), will provide an opportunity for all children to have a say in matters which affect them and to be involved in decisions that affect them, as far as is appropriate. At Ormiston Six Villages Academy children's views will be gathered through regular school and year council meetings and via the whole school pupil voice using Microsoft Forms for significant changes.
- 29.2. Children's Voice is also expressed at a trust level through the National Student Voice (NSV) and the Student Inclusion Advisory Board (SIAB), which is a subcommittee of the NSV.

30. Complaints

- 30.1. Complaints regarding any aspects of the Behaviour Policy will be addressed under the OAT Complaints Policy.
- 30.2. Concerns about wrongdoing at OAT academies in relation to the behaviour policy, such as malpractice, mismanagement or breach of health and safety law or any other illegal or unethical act either on the part of management, the Governing Body or be fellow employees should be raised using the Whistleblowing Policy.
