- Online session 2pm-3.30pm
- Face to face session in the Gate theatre 4pm-6.30pm

## Early finish – Thursday 5<sup>th</sup> June

Our Year 10 parents' consultation is taking place on Thursday 5<sup>th</sup> June and all students will finish at 1.10pm on that day.

The school buses have confirmed that they will collect students at 1.10pm. Passengers for the 500 bus will need to walk to the Eastergate War Memorial/Collins Close stop.

If your child catches a public bus, you will need to make arrangements to get them home.

Please note that all the usual learning will take place on this day and all students must attend. Lessons will be shortened slightly to fit all five lesson in, as follows:

08.20-08.40	Tutor time
08.40- 09.30	Period 1

### **Year 10 Work Experience, 30<sup>th</sup> June-4<sup>th</sup> July**

Well done to everyone who has secured a Y10 work experience placement over the last month. We are now down to our final 30 students that we need to find placements for.

**If you are an employer or know that your place of work would be able to accommodate a Y10 student for the week, please get in touch with Mr Marsh via email at [cmh@ormistonsixvillages.org.uk](mailto:cmh@ormistonsixvillages.org.uk).**

For those who have already secured a placement but have not filled out the online forms on Unifrog, please check the school work experience web-page: [OSVA Work Experience](#).

To help the remaining families and students, Mr Marsh will be emailing each of you in the next week with a list of potential placements. Please use the school work experience web-page to help with your applications by clicking this link: [OSVA Work Experience](#)

On this web-page, you will find links to the following resources:

- **Work experience letter 2025** - this was printed and shared with all families. It contains links to Unifrog explaining the application process and should be able to answer all questions you may have.
- **Work Experience employer letter 2025** - Many employers ask for proof that the school is running the event. Please use this to confirm the dates and to explain the process to them. It is best used as an attachment to an email.
- **Email template for contacting employers** - feedback from careers interviews and parents has highlighted the fact that many students are not confident in composing an email to an employer. This template allows you to copy and paste a professional email and to adjust it to reflect well on you.
- **Y10 Work experience launch presentation** - this is a copy of the slides used on 29<sup>th</sup> January when Work experience was launched.

If you know roughly what sort of work your child would be interested in doing but do not have anything lined up, please email Mr Marsh on [cmh@ormistonsixvillages.org.uk](mailto:cmh@ormistonsixvillages.org.uk) and he will send you any contact details he has for employers in that area.

As always, if a student is struggling to use Unifrog, Mr Marsh is always available at lunch time in HUM 4 next to the library.

### **Year 8 HPV Vaccination Programme**

The Immunisation Service are coming into school on **Thursday 5<sup>th</sup> June** to offer your child the HPV (Human Papillomavirus) vaccination.
