

ORMISTON SIX VILLAGES ACADEMY

6th June 2025

Dear Parents and Carers

PE Department Skiing Residential, Nassfeld, Tröpolach, Austria (years 8-11) on 12/02/27 - 20/02/27

<https://www.nassfeld.at/en> - Ski Resort Website

For students currently in years 7, 8 and 9

The PE department are delighted to announce the launch of the sign up for the next skiing residential listed above. To see the amazing progress and views from the mountain check out the PE departments Instagram @sixvillagespe which has highlights of the students skiing at the Nassfeld resort. We would love to continue the momentum and introduce even more students to the world of skiing, students who attended the last residential all made fantastic progress, but more importantly developed into more confident and motivated individuals!

The opportunity available provides students with a fantastic way to participate in a week skiing residential trip, which for many students could be a once in a lifetime opportunity to experience skiing and develop an ability and willingness to be able to access this type of holiday in their adult years.

As detailed above, the skiing residential is in the February half term of the 26/27 academic year.

The benefits of an educational tour

Research has shown that not only do residential school trips help with academic achievement; they also help improve relationships and encourage personal development. Research* shows, that following a residential tour:

- 61% of students achieved higher than their predicted grade
- 87% of students felt more confident trying new things
- 74% of parents said their children were more willing to try new things
- 71% said they are more motivated to learn

Travel Companies

The company we are travelling with for the skiing residential is called Equity.

Ormiston Six Villages Academy has chosen to travel with Equity as they are market leaders in school travel and have been in operation since 1933. They are completely financially protected by ABTA and ATOL, meaning in the event of any unlikely unexpected occurrence your money is protected. Equity are also accredited by 'Learning Outside the Classroom' and the School Travel Forum; both of which support excellence in the planning and delivery of highly successful educational trips.

We are however required to wait for the admissions process to be completed before we can launch the trip to those students dependant on initial uptake.

It is important to note that we will be travelling by coach, so those that require travel sickness medication will need to provide this for the duration of the coach travel.

Phone usage will be possible during the trip, so please ensure you plan for abroad usage in line with your phone provider packages where appropriate. Certain times during the day we will not be permitting phone usage to monitor excessive usage and encourage socialising as a group; this will mainly be during mealtimes and some evening activities.

What you need to do next
