

Enrichment Charter

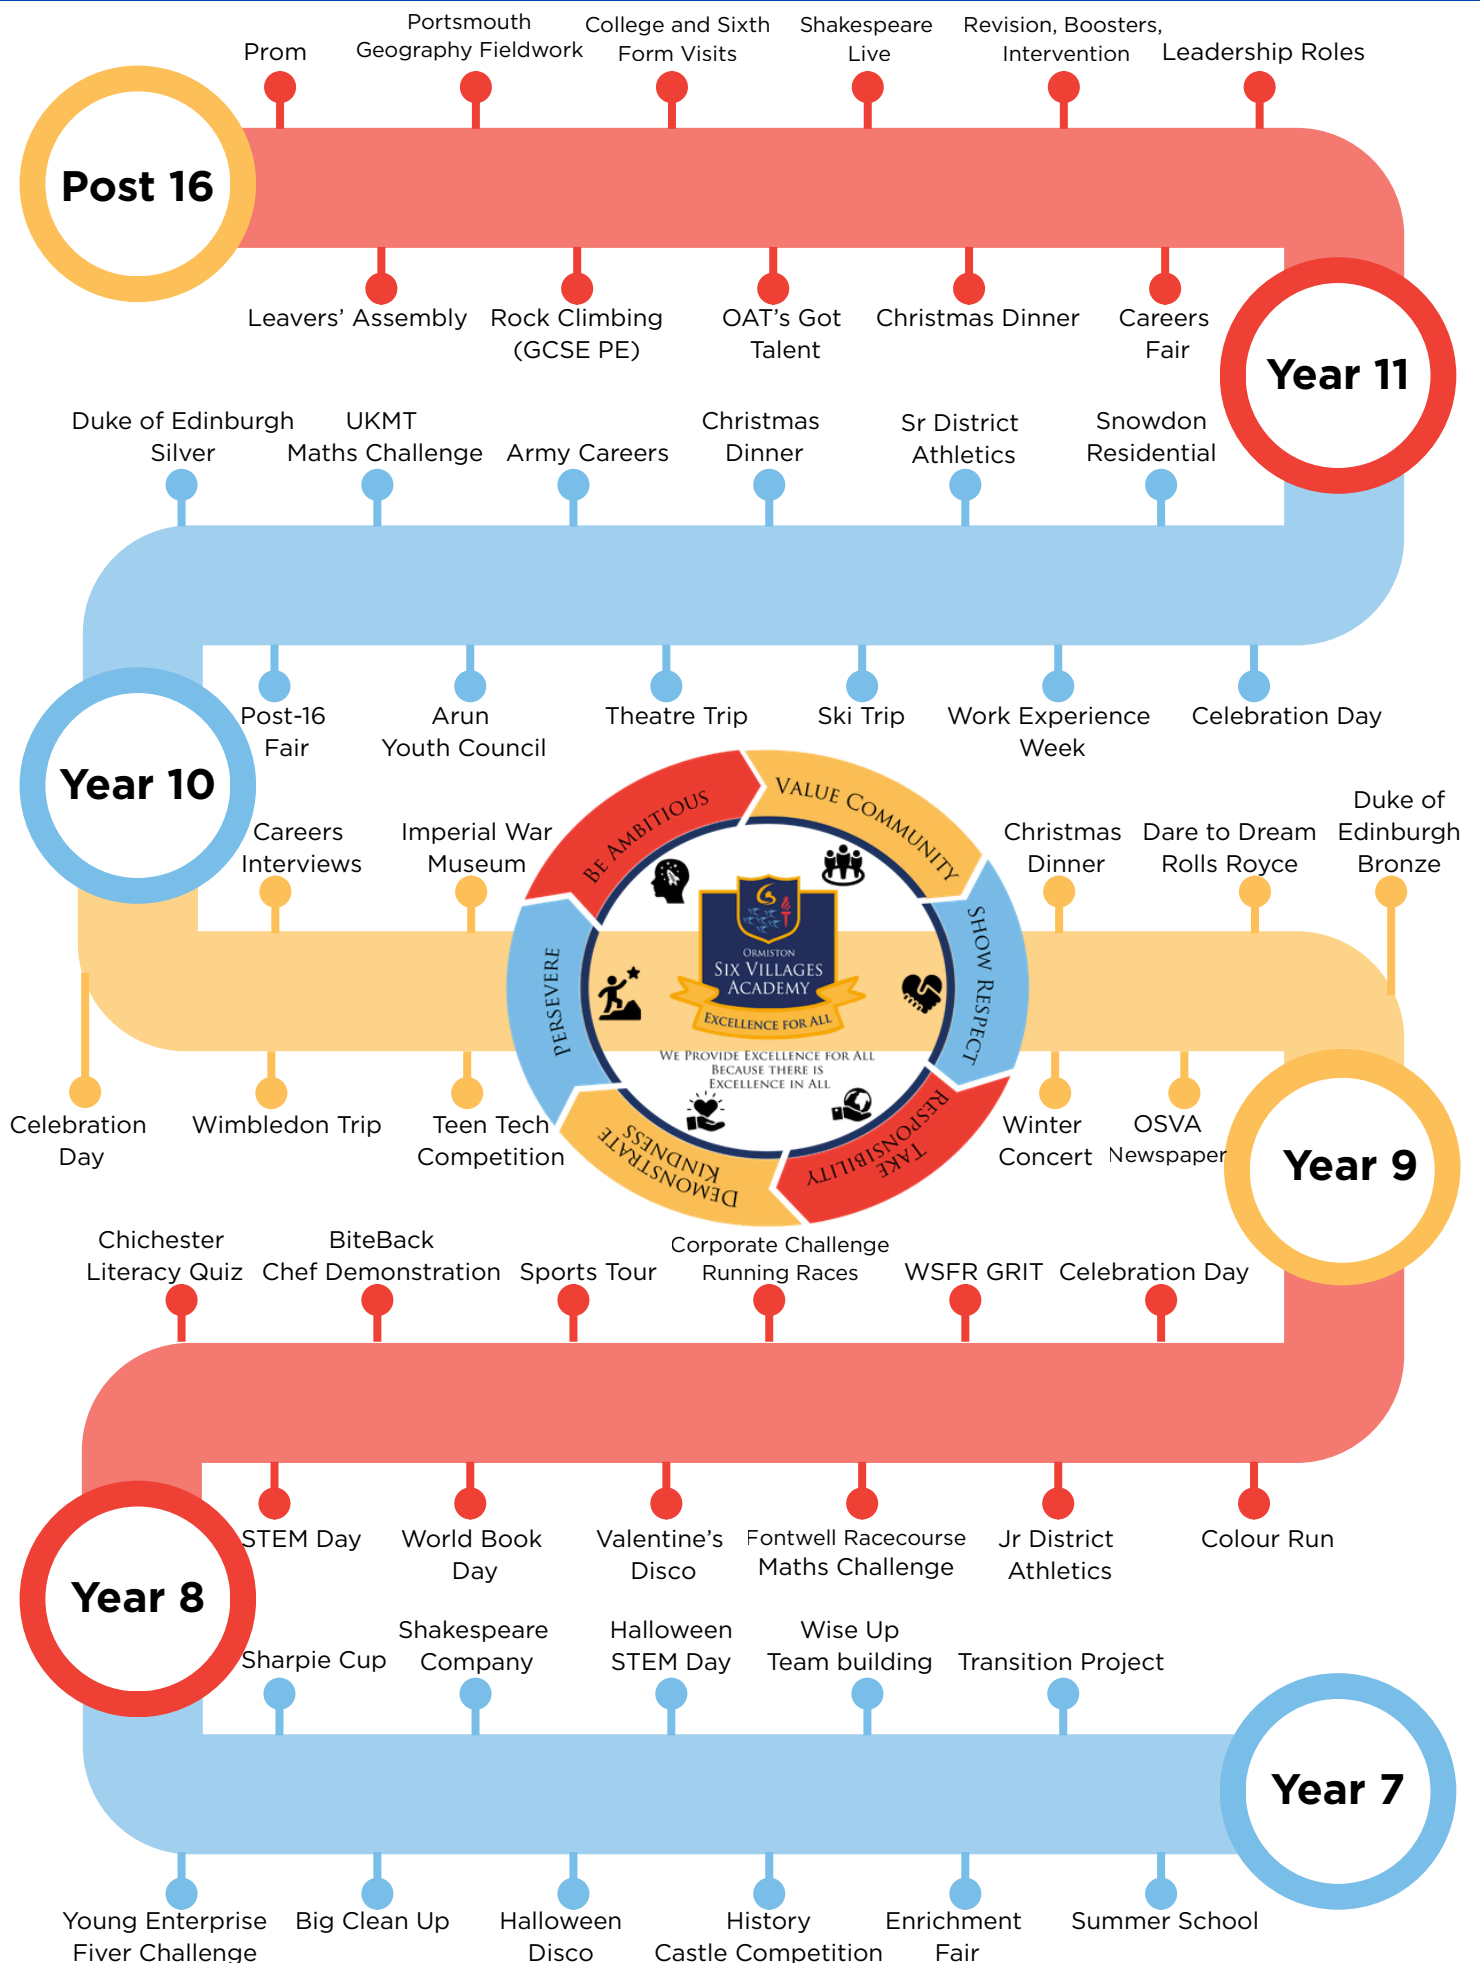

2026/27

[OAT]
Ormiston Academies Trust

AN OAT ACADEMY

Experience | Think | Practice | Contribute | Commit | Celebrate

Welcome from the Executive Principal Mr Slaughter

At Six Villages we have long believed that a good education is about more than just the academic learning. The person you become during your time here matters just as much as the grades you achieve. We want you to leave this school having built friendships, found passions, and contributed to something bigger than yourself. This might mean discovering a flair for leadership through debate or volunteering in the community, building resilience on an outdoor residential, finding your voice on stage, experiencing the power of teamwork through sport, or growing your confidence in a skill that you have never previously thought about. This charter is our commitment that every one of you will have access to experiences that build your character, develop your resilience and help you grow into someone who can confidently enter into the next stage of your education and the rest of your life.

Welcome from the Head of Enrichment Mr O'Connor

At our school, we believe learning extends beyond the classroom. Our enrichment programme is designed to inspire curiosity, build confidence, develop new skills and create lasting memories. With opportunities in sport, performing arts, outdoor education, STEM, leadership, creative arts and community projects, there is something for everyone.

Everything we offer reflects our core values. We encourage students to embrace new challenges, discover hidden talents and take responsibility for their personal development. Through teamwork, inclusion and respect for others, students develop resilience, confidence and ambition while striving to achieve their full potential. Enrichment is about broadening horizons, building friendships and contributing positively to our community. We are proud to offer a wide range of activities that support students' academic, social and personal growth. I encourage every student to get involved, try something new and make the most of the opportunities available.

I look forward to seeing you thrive through our enrichment programme.

ORMISTON
SIX VILLAGES
ACADEMY

Experience

You will encounter a wide range of people, places, and ideas. Some will feel familiar and some will challenge you. By doing this you will understand more about the world and your place in it..

Think

You will explore complex and sometimes controversial topics, from ethics to current affairs. You will think carefully, listen to different perspectives and express your own ideas with confidence.

Practice

You will explore new interests and begin to understand where your real passions lie. You will learn to stick at something, even when it's hard, and see how this resilience supports you to become better.

Commit

You will attend visits and hear from people that will make you think about your future, and what choices you need to make to keep the doors open for you.

Contribute

You will take on responsibilities in school and get involved in your local community. You will share your ideas and opinions and understand how collective action can create real change.

Celebrate

You will recognise effort and growth in yourself and others, and value the backgrounds and identities of everyone who makes up the school community.

Year 7

This year you will have plenty of enrichment opportunities, including

Enrichment Fair

A Boy Called Christmas –
Chichester Festival Theatre

KS4

Focus

ORMISTON
SIX VILLAGES
ACADEMY

Experience

You will seek out conversations and new experiences that help you to understand yourself and your options more clearly

Think

You will engage critically with complex and contested ideas. You are willing to be challenged: changing your mind when the evidence is strong, but defending your position when it isn't.

Practice

You will take responsibility for your development and build up expertise. You reflect on where you have improved and what helps you work best.

Commit

You will make decisions about your next steps and how you spend your time that will support you in your future and achieve your ambitions.

Contribute

You will lead by example. Real contribution means taking the initiative, not waiting to be asked. You will look for ways to make things better in your school and your community.

Celebrate

You understand your role in influencing how others feel about themselves. You will use this knowledge to lift people up and celebrate their identities and their accomplishments.

Year 10

This year you will have plenty of enrichment opportunities, including

New for Year 10

Duke of Edinburgh Silver Award
Work Experience
Post-16 Fair

Kew Gardens Art Trip
Porchester Castle Visit
Philosophy Shrine Visit
Attendance Mentor Positions

Ormiston Academies Trust believe that all children, regardless of background should have an enriching education that supports broadens interests, deepens understanding and builds character.

Schools across the country are using their own version of the Enrichment Charter which is built on the six core pillars:

Experience, Think, Practice, Commit, Contribute, and Celebrate.
